

10 inch / 25 cm Diameter HDX Loop

7 turns
tight wire spacing

20 AWG solid wire
Direct burial made for pet fences

Wire diameter 0.32" / 0.812 mm / 0.5 mm²
Insulated diameter 0.97" / 2.48mm

Can of PlastiDip

Winding form
10 inch diameter cardboard
tube used for concrete
construction

Spread Plastidip onto the wire with a stick.
Be careful not to attach the loop to the tube.

After it dries lift it off and paint the inside for extra strength.
